

# Doors

Mac Miller

You know it's been a minute since I been awake  
Didn't mean to cause you pain, I just needed to escape  
They saying that I'm sober, I'm just in a better place  
I'm on my way over, I'm just running kind of late  
And you know I've been through all the highs  
I've seen all the lows

Lost track of time, I'm coming home  
You know my mind, the places it goes  
When it goes, when it goes It's only a game, don't be afraid  
These doors will close, and people change  
One day you'll go, right now you're here  
No please just hear, don't disappear  
Good Morning, Baby
