

# Why, Oh Why

## Little Big Town

Why, oh why can't I lay this trouble down?  
Lies, your lies keep coming back around  
And 'round and 'round and 'round You're a shot of whiskey  
Straight and smooth and killing me  
You're like a prayer I shouldn't pray  
You're like a sad song, I can't help but sing along  
You're all the pleasure and the pain Why, oh why can't I lay this trouble down?  
Lies, your lies keep coming back around  
And 'round and 'round and 'round  
You're a lesson I can't learn  
I must love getting burned  
Stop, drop and roll right in the flame  
You're poison in a kiss, that's just the way it is  
You're like the sunshine in the rain Why, oh why can't I lay this trouble down?  
Lies, your lies keep coming back around  
And 'round and 'round and 'round You say you love me, say you're sorry  
I believe your every word  
I guess I let you like a fool  
I guess I get what I deserve  
Next time you say goodbye Why, oh why can't I lay this trouble down?  
Lies, your lies keep coming back around  
And 'round and 'round  
Oh why, oh why can't I lay this trouble down?  
It's always your lies  
Your lies keep coming back around  
And 'round and 'round and 'round Why, oh why?  
Why, oh why?
