

# We Found Love

[Lindsey Stirling](#)

Note: Les paroles entre crochets sont très approximatives. Elles sont peut-être en swahili, langue officielle et nationale du Kenya, pays où a été tourné le clip.

And we're standing side by side

What it takes to come alive

It's the way I'm feeling I just can't deny

But I've gotta let it go We found love in a hopeless place

We found love in a hopeless place Shine a light through an open door

Love and life I will divide Turn away cause I need you more

Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny

But I've gotta let it go

We found love in a whole new place

We found love in a whole new place

(We found love in a whole new place x4)

Ouh ouh...

Ouh ouh...

We found love

Ouh ouh...

We found love

(Swahili?)
