

# I Love You (1944 Single)

**Bing Crosby & John Scott Trotter and His Orchestra**

I love you, hums the April breeze  
I love you, echo the hills  
I love you, the golden dawn agrees  
As once more she sees daffodils It's spring again and birds on the wing again  
Start to sing again the old melody  
I love you, that's the song of songs  
And it all belongs to you and me It's spring again and birds on the wing again  
Start to sing again the old melody  
I love you, that's the song of songs  
And it all belongs to you and me
