

Not Living

Coal Chamber

i realize i'm dead
i'm fucked in the head
i'm not living without you
my life is a game my life is a shame
i'm not living without you
this heart a joke and my life been choked
and i'm not living without you
my life alone my life alone am not living without you
you're bleeding me(3x)
you're bleeding
your'e bleeding me(3x)
