

# Baby Love (feat. R. City) [Josh Bernstein Remix]

Samantha J

Baby, baby, baby, baby, baby  
Yeah, yeah Samantha J.  
Rock City get busy If I need it oh you go and get it for me  
You my lover, you my other, you my homie  
Oh yeah you already know love how you hold me  
You hold me, love oh you hold me  
I swear to God I know this is the real thing  
You give me such a wonderful feeling  
I mean it, got me higher than the ceiling  
The ceiling, oh what a feeling  
Yeah-oh, yeah-oh  
It can't get no better  
Yeah-oh, yeah-oh  
Once we stick together What's the only thing I'm thinking of?  
Oh, na-na-na  
In the morning when I'm waking up  
Oh, na-na-na  
People now they tell me that I'm crazy  
Oh you know you'll always be my baby love  
See all I trust, devoted but  
You know you'll always be my baby love I'm thinking of  
Can't get enough  
Know you'll always be my baby love  
We ain't worried even though we got some haters  
We be startin', we be ballin' like the Lakers  
It's ok, we know that they will never break us  
Break us, never break us  
Call me your angel, but you know I keep it real  
You and me, we blowin' up torpedo  
May hide alright but you know me never leave you  
Leave you, for real Yeah-oh, yeah-oh  
It can't get no better  
Yeah-oh, yeah-oh  
Once we stick together What's the only thing I'm thinking of?  
Oh, na-na-na  
In the morning when I'm waking up  
Oh, na-na-na  
People now they tell me that I'm crazy  
Oh you know you'll always be my baby love  
See all I trust, devoted but

You know you'll always be my baby love I'm thinking of  
Can't get enough  
Know you'll always be my baby love Hey, Yeah!  
Here we go!  
How you do that?  
Are you that  
Me love that Gal you know you're mine from your bond  
Love the way you're flinging back and go on  
Ah you my baby lover till the day that me gone  
Ah you my number one, you my true champion  
Hey you girl inna the tight skirt  
Sexy in a dress or in a buttoned-up shirt  
You up and close when you start to whine  
You the only one who always there 'pon me mind What's the only thing I'm thinking of?  
(Of me you are think 'bout baby)  
In the morning when I'm waking up  
(And I mean, yeah)  
People now they tell me that I'm crazy  
Oh you know you'll always be my baby love  
The one thing I can't get enough  
Oh, na-na-na What's the only thing I'm thinking of?  
Oh, na-na-na  
In the morning when I'm waking up  
Oh, na-na-na  
People now they tell me that I'm crazy  
Oh you know you'll always be my baby love  
See all I trust, devoted but  
You know you'll always be my baby love I'm thinking of  
Can't get enough  
Know you'll always be my baby love  
Know you'll always be my baby love
