

# Starman (2012 Remastered Version)

David Bowie

Goodbye love Goodbye love  
Didn't know what time it was the lights were low oh oh  
I leaned back on my radio oh oh  
Some cat was layin down some rock n roll lotta soul, he said  
Then the loud sound did seem to fade a ade  
Came back like a slow voice on a wave of phase a ase That werent no d.j. that was hazy cosmic  
jive  
There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds  
There's a starman waiting in the sky  
He's told us not to blow it  
Cause he knows it's all worthwhile  
He told me:  
Let the children lose it  
Let the children use it  
Let all the children boogie  
I had to phone someone so I picked on you ou ou  
Hey, that's far out so you heard him too! oo oo  
Switch on the tv we may pick him up on channel two  
Look out your window I can see his light i ight  
If we can sparkle he may land tonight i ight Don't tell your poppa or hell get us locked up in  
fright  
There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds  
There's a starman waiting in the sky  
He's told us not to blow it  
Cause he knows it's all worthwhile  
He told me:  
Let the children lose it  
Let the children use it  
Let all the children boogie  
Starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds  
There's a starman waiting in the sky  
He's told us not to blow it  
Cause he knows it's all worthwhile  
He told me:  
Let the children lose it  
Let the children use it

Let all the children boogie
