

# Moving Mountains (feat. Brendan Reilly)

## Disclosure

can't stop  
Whether you know or not  
I ain't strong  
And it's something in you that I'm depending on  
Worth a shot  
Even though I've lost the plot  
I know it's wrong  
But it's something in you that I'm depending on  
Not going out tonight  
Stay home until daylight  
I'm hanging on for my life  
I know myself all too well  
Set myself up to fail  
Is that what the future entails?  
You give nothing to me  
There wasn't nothing, that's not what I need  
I've been thinkin' 'bout us  
And I'm feelin' in love  
With you here by my side  
It seems like I can't do anything right  
I've been thinkin' 'bout us  
And I'm feelin' in love  
Every day, every day, every day, every day  
Anyway, anyway, anyway, anyway  
Feels like I'm movin' mountains  
It feels like I'm movin' mountains  
Such a shame  
Time for me to make a change  
With what you've shown  
Maybe you're just another stepping stone  
Lost my name  
Trying to put out this flame  
I don't know  
Maybe you're just another stepping stone  
Not going out tonight  
Stay home until daylight  
I'm hanging on for my life  
I know myself all too well  
Set myself up to fail  
Is that what the future entails?  
You give nothing to me  
There wasn't nothing, that's not what I need  
I've been thinkin' 'bout us  
And I'm feelin' in love  
With you here by my side

It seems like I can't do anything right  
I've been thinkin' 'bout us  
And I'm feelin' in loveEvery day, every day, every day, every day  
Anyway, anyway, anyway, anyway  
Feels like I'm movin' mountains  
It feels like I'm movin' mountains
