You could be from Venus I could be from Mars We would be together Lovers forever Care for each otherYou could live in the sea And I could be a bird We would be together Lovers forever Care for each otherIf you were an illusion I would make it real We would be together Lovers forever Care for each other If you walk in the sun I would be your shadow We would be together Lovers forever Care for each other Song Discussions is protected by U.S. Patent 9401941.
