

Learning to Fly

Pink Floyd

Into the distance a ribbon of black
Stretched to the point of no turning back
A flight of fancy on a wind swept field
Standing alone my senses reeled
A fatal attraction is holding me fast
How can I escape this irresistible grasp? Can't keep my eyes from the circling sky
Tongue-tied and twisted, just an earth-bound misfit, Ice is forming on the tips of my wings
Unheeded warnings I thought
I thought of everything
No navigator to find my way home
Unladen, empty and turned to stone
A soul in tension that's learning to fly
Condition grounded but determined to try
Can't keep my eyes from the circling skies
Tongue-tied and twisted, just an earth-bound misfit, I Above the planet on a wing and a prayer
My grubby halo, a vapor trail in the empty air
Across the clouds I see my shadow fly
Out of the corner of my watering eye
A dream unthreatened by the morning light
Could blow this soul right through the roof of the night
There's no sensation to compare with this
Suspended animation, a state of bliss
Can't keep my mind from the circling sky
Tongue-tied and twisted, just an earth-bound misfit, I
