Beware (feat. Lil Wayne & Jhene Aiko)

Big Sean

When you said it was over
You shot right through my heart
Why you let these hoes tear what we had right apart
Oooh, I was so mad

I should've seen this coming right from the start

You should beware, beware of a woman with a broken heartPraying to a sky all black

Looking at the stars like they finna talk back

Looking at my phone like she finna call back

But last night I feel like probably ended all that

Cause by now she would sent a text in all caps

Then another one tryna take all back

Saying fuck you, I miss you or I hate you so much

Cause girls only say "I hate you" to the guys that they love

I know, I know, I know

The highs, the lows it comes and goes

You say "be real" I try, I don't

Cause you take anything and just make it everything

Kept my phone on silent ever since you got a ring (funny right?)

And I never cheated (I mean, maybe once, twice)

One time don't change everything

She ask why I don't feel the same, I'm still the same

She's still insane and now she's sayingWhen you said it was over

You shot right through my heart

Why you let these hoes tear what we had right apart

Oooh, I was so madI should've seen this coming right from the start

You should beware, beware, beware of a woman with a broken heartOkay, skeet, smoke

Sleep, call

Miss, text

Woke, spoke

Lie, feel, Lisa ew

Time, kill, months, still

I got somebody baby mama calling me daddy

I drank too much, please call me a cabby

Penthouse after party hoes want that addy

Fuck they can ride with us, crawl in a Caddy

Third row is when you call, I hit cancel

Really? I hit answer, fuck I hate when that happens

Phone in my pocket for the whole night

And you heard bitches screamin' til my phone dies

Then she text me like "why you still talk to my mama?"

How the fuck you run around with condoms?

Why you make me get this tattoo?

Man, fuck this tattoo you the reason I wasn't single in college What? All because I had you Nigga I dont even have you

How am I suppose to get past you? And she called the next guy spillin' some real shit

Now they problems he got to deal withWhen you said it was over You shot right through my heartWhy you let these hoes tear what we had right apart

Oooh, I was so mad

I should've seen this coming right from the start You should beware, beware of a woman with a broken heartGirl, don't believe them hoes

Cause they don't wanna see us together
And you already know you're too fly
But baby, don't get your hair caught in the propellers
I be tryna tell her these hoes is jealous
You know they never like it when you never say never

Long hair, red bone, but her pussy is hairless Muah, I french kiss it like we in Paris

I be screaming out, "ain't no woman like the one I got"

But she be always worrying about the one I fucked

She said it's gonna be me, myself and IDamn, that would make me a one-eyed fuck

Sch. I was so mad

Damn, you used to ride a nigga like a moped pad sch--

But players fuck up, my bad

And just to keep from crying, I laughedWhen you said it was over

You shot right through my heart

Why you let these hoes tear what we had right apart

Oooh, I was so mad

I should've seen this coming right from the start You should beware, beware, beware of a woman with a broken heart

Baby, last time calling me baby
Last time calling me crazy
Crazy, crazy
Baby, last time calling me baby

Last time calling me crazy

Crazy, crazy
