Sonic Youth

Long ago
And oh so far away
I fell in love with you
Before the second show Your guitar
It sounds so sweet and clear
But you're not really there
It's just the radio Don't you remember you told me you love me baby?
You said you'd be coming back this way again baby
Baby baby baby baby, oh baby
I love you, I really do
Loneliness
Is such a sad affair
And I can hardly wait
To be with you again What to say
To make you come again
Come back to me again
And play your sad guitar Don't you remember you told me you love me baby?
You said you'd be coming back this way again baby
Baby baby baby baby, oh baby
I love you, I really do
Don't you remember you told me you love me baby?
You said you'd be coming back this way again baby
Baby baby baby baby, oh baby
I love you, I really do
