

Shame and Pride (Remastered)

Mighty Diamonds

Yeah, yeah, shame and pride is killing you, girl
Shame and pride is killing you, girl
Shame and pride is killing you, girl
Shame and pride is killing you, girl Look all the things I gave you
What did you do, only make you feel blue?
I try my best to prove my love to you
But you didn't understand, you natty
Oh no, you didn't understand, you dreadie
Shame and pride is killing you, girl
Shame and pride is killing you, girl
Shame and pride is killing you, girl
Shame and pride is killing you, girl Remember in school how we loved each other
I used to see you wait by the school yard gate, yeah
Now we've grown up something seems to be wrong
But oh no, you didn't understand, you natty
Oh no, you didn't understand, you dreadie, oh yeah
Remember in school how we loved each other
I used to see you wait by the school yard gate, yeah
But now we've grown up something seems to be wrong
But oh no, you didn't understand, you natty
Oh no, you didn't understand, you dreadie, oh yeah Shame and pride is killing you, girl
Shame and pride is killing you, girl
Shame and pride is
