

Secular Haze

Ghost

You know that the fog is here omnipresent
When the diseaser sees no cure
You know that the fog is here omnipresent
When the intents remain obscure
Forevermore Weave us of mist
Fog weaver
Hide us in shadows
Unfathomable wall-less maze
A secular haze
You know that his son is near omnipotent
When she sees eye to eye with spears
You know that his son is near omnipotent
When youth and innocence disappear
Forever lost Weave us of mist
Fog weaver
Hide us in shadows
Unfathomable, wall-less maze
A secular haze
He is divinity omniscient
Seeing the world revolve with spite
The surge of humanity oblivious
To the divine bringineth light
Let there be night
Weave us of mist
Fog weaver
Hide us in shadows
Fog weaver
Come mist eternal
Come mist eternal
Come secular haze.
