

# Power (feat. Stormzy)

## Little Mix

Hold up, no, you didn't bow, bow  
I ain't the chick to walk behind you around town  
Just 'cause you're packin', packin', whoop, down south  
That don't mean I'm ever gonna take it lying down, baby Oh, I'm a machine when I do it  
I'll be catching fire, gasoline when I do it  
Just 'cause you're packin', packin', whoop, down south  
That don't mean I'm ever gonna take it lying down Baby, you're the man  
But I got the, I got the, I got the power  
You make rain  
But I'll make it, I'll make it, I'll make it shower  
You should know, I'm the one who's in control  
I'll let you come take the wheel, long as you don't forget  
Who got the power?  
I got the, I got the power  
I got the, I got the power  
I got the, I got the power  
Hold up!  
(My turn) I make this look easy, tick Tick, boom, like gasoline-y  
Yeah, they call me Lamborghini, 'cause I know just what I'm worth  
Zero to hundred, b-b-body make' em stutter  
Start my engine, push the button, 'cause I'm gon' be coming first Yeah, I'm a machine when I do  
it  
I'll be catching fire, gasoline when I do it
