

# Sweet Life

## Frank Ocean

The best song wasn't the single, but you weren't either  
Livin' in Ladera Heights, the black Beverly Hills  
Domesticated paradise, palm trees and pools  
The water's blue, swallow the pill  
Keepin' it surreal, whatever you like  
Whatever feels good, whatever takes you mountain high  
Keepin' it surreal, not sugar-free  
My TV ain't HD, that's too real  
Grapevine, mango, peaches, and limes, the sweet life  
The sweet life, sweet life  
Sweet life, sweet life  
The sweet, sweet, sweet, sweet life  
Sweet life, the sweet life  
Sweetie pie  
You've had a landscaper and a house keeper since you were born  
The starshine always kept you warm  
So why see the world, when you got the beach  
Don't know why see the world, when you got the beach  
The sweet life  
The best song wasn't the single, but you couldn't turn your radio down  
Satellite need a receiver, can't seem to turn the signal fully off  
Transmitting the waves  
You're catching that breeze 'til you're dead in the grave  
But you're keepin' it surreal, whatever you like  
Whatever feels good, whatever takes you mountain high  
Keepin' it surreal, not sugar-free  
My TV ain't HD, that's too real  
Grapevines, mango, peaches, and limes, a sweet life  
A sweet life  
A sweet life, yeah  
A sweet life, a sweet life  
A sweet life  
Live and die in the life  
You've had a landscaper and a house keeper since you were born  
The starshine always kept you warm  
So why see the world, when you got the beach  
Don't know why see the world, when you got the beach  
And the water, is exactly what I wanted  
It's everything I thought it would be  
But this neighborhood is gettin' trippier every day  
The neighborhood is goin' ape shit crazy  
You've had a landscaper and a house keeper since you  
were born  
The starshine always kept you warm  
So why see the world, when you got the beach  
Don't know why see the world, when you got the beach  
The sweet life
