CHEN & Punch - Everytime English Translation

Oh every time I see you
When I see your eyes
My heart keeps fluttering
You're my destiny

The only person I want to protect until the end of the world

BABY OHOHOHOH
OHOHOHOH
BABY OHOHOHOH
OHOHOHOH

Oh every time I see you
When I see your eyes
My heart keeps fluttering
You're my destiny

The only person I want to protect until the end of the world

When you look at me
When you look at me and smile
It feels like my heart will stop
How about you?
It's really hard for me to handle
All day, I think of you
We went in circles for a long time
But even if it's now, I'm alright
Oh every time I see you
When I see your eyes
My heart keeps fluttering
You're my destiny

The only person I want to protect until the end of the world

Don't leave me
Even if we can't see our futures
Will you believe in me and wait for me?
My one and only
Have I ever told you
That you are my everything?
You're my destiny

I want to protect you until the end of the world

BABY OHOHOHOH
I want to love you
OHOHOHOH

Your eyes, your smile, even your scent
BABY OHOHOHOH

Remember
OHOHOHOH
We are always together
i love u
