My Life Is Going On (Burak Yeter Remix)

Burak Yeter & Cecilia Krull

If i stay with you if I'm choosing wrong
I don't care at all
If I'm loosing now but I'm winning late
That's all I want (all I want)I don't care at all
Lost my time, my life is going onIf I stay with you if I'm choosing wrongI don't care at all
If I'm loosing now but I'm winning late
That's all I want (all I want)I don't care at allLost my time, my life is going on
I don't care at all
I don't care at all
Lost my time, my life is going on
