

# Lemonade

[Alexandra Stan](#)

Everything is so good in the summer air  
Just put behind you all the problems that we share  
Look into the sun, you'll see me and you  
'Cause now you have the perfect view I was so alone  
And now I really wanna make you come along  
I just want you to see,  
You're the only one for me I was so alone  
And now I really wanna make you come along  
I just want you to see,  
You're the only one for me Sunny, happy with the music, no money  
I'm taking you in holiday  
Sipping yellow lemonade  
Sunny, happy with the music, no money  
I'm taking you in holiday  
Sipping yellow lemonade Keep my promising, we're lying on the beach  
Now we have each other and I feel so rich  
Look into the sun, you'll see me and you  
'Cause now you have the perfect view I was so alone  
And now I really wanna make you come along  
I just want you to see,  
You're the only one for me I was so alone  
And now I really wanna make you come along  
I just want you to see,  
You're the only one for me Sunny, happy with the music, no money  
I'm taking you in holiday  
Sipping yellow lemonade  
Sunny, happy with the music, no money  
I'm taking you in holiday  
Sipping yellow lemonade So alone  
Sunny  
You're the only one for me I was so alone  
I really wanna come along  
You're the only one for me Sunny, happy with the music, no money  
I'm taking you in holiday  
Sipping yellow lemonade Sunny, happy with the music, no money  
I'm taking you in holiday  
Sipping yellow lemonade Sunny, no money  
Holiday, sipping yellow lemonade  
Sunny, no money  
Holiday, sipping yellow lemonade
