Just Say (feat. Tinashe) [Faithless Remix]

KDA

I don't want to Hear you talking anymore Cause I know it's hard I can see you all alone So come into my home Baby I don't need to Believe every word you say With all the games you play Doesn't matter that you're late, you're always late Just say that you love me Cause I want you to Just say that you love me And help me get to you Just say that you need me Baby like I need you While the world is spinning 'round I'm on solid groundIf you say you love meI can feel you I can feel you when you move And it feels so good Look so pretty when you're down But you don't make a sound Oh, when I'm holding you Holding at just air When I'm touching you You seem so far away from me And I never seem to be who I wanna be When you talk to meJust say that you love me Cause I want you to Just say that you love me Help me get to you Just say that you need me Baby like I need you While the world is spinning 'round I'm on solid ground If you say you love me Cause I want you to If you say you love me Let me get to you If you say you need me Baby like I need youWhile the world is spinning 'round I'm on solid ground If you say you love meLike I need you

Like I need you, you, you, you Like I need you Like I need you, you, you, you Like I need you Like I need you, you, you, you Like I need youLike I need youDon't you tell me Don't you tell me that we're through After all I've done for you It's just another silly game That's causing me this pain Oh, burning paradise right down to the ground Taking everything, all I [?] down And now you're still testing me somehowAnd I need you now But you won't... no, you won't say you love meJust say, hey, hey, hey, hey, hey, hey, hey, hey - hey Just say, hey, hey, hey - hey Just say, hey, hey, hey - heyJust say that you love me Cause I want you to Just say that you love me Help me get to you Just say that you need me Baby like I need you While the world is spinning 'round I'm on solid ground If you say you love me Cause I want you to If you say you love me Let me get to you If you say you need me Baby like I need you While the world is spinning 'round I'm on solid ground If you say you love me Song Discussions is protected by U.S. Patent 9401941.
