

# Paris

## The Chainsmokers

We were staying in Paris  
To get away from your parents  
And I thought: "Wow, if I could take this in a shot right now  
I don't think that we could work this out" Out on the terrace  
I don't know if it's fair  
But I thought: "How could I let you fall by yourself  
While I'm wasted with someone else?" If we go down, then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down, then we go down together  
We'll get away with everything  
Let's show them we are better  
Let's show them we are better  
Let's show them we are better  
We were staying in Paris  
To get away from your parents  
You look so proud  
Standing there with a frown and a cigarette  
Posting pictures of yourself on the internet Out on the terrace  
We breathe in the air of this small town  
On our own, cutting class for the thrill of it  
Getting drunk on the past we were living in If we go down, then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down, then we go down together  
We'll get away with everything  
Let's show them we are better Let's show them we are, show them we are  
Let's show them we are, show them we are  
Let's show them we are better  
We were staying in Paris  
Let's show them we are better  
Let's show them we are, show them we are  
Let's show them we are, show them we are  
Let's show them we are better If we go down, then we go down together  
They'll say you could do anything  
They'll say that I was clever  
If we go down, then we go down together  
We'll get away with everything  
Let's show them we are better We were staying in Paris (if we go down)  
We were staying in Paris (if we go down)  
We were staying in Paris (if we go down)  
We were staying in Paris (if we go down)

Let's show them we are betterWe were staying in Paris  
Let's show them we are better  
Let's show them we are betterIf we go down  
Let's show them we are better  
If we go down  
Let's show them we are better  
If we go down  
Let's show them we are betterLet's show them we are better
