

# If I'm Being Honest

Kaitlyn Bristowe

[Verse 1]

Maybe I drink a little more wine than I should  
And maybe I'm good at making things look all good  
If people gonna say what they wanna say  
And think what they wanna think  
But they don't know me (They don't know me)  
Maybe that's why I drink a little more than I should [Chorus]  
And if I'm being honest  
I'm not always as tough as I seem  
And I can have a moments  
But words can get the best of me  
And the words that I say to myself  
Are the ones that hit the hardest  
If I'm being honest  
If I'm being honest

[Verse 2]

And I can be hard enough for all of us on myself  
I don't need to read about or hear about it somewhere else (Mmm)  
And people who don't like it can turn it off  
Love me or love me not, but they don't know me  
(They don't know me)

But I can be hard enough for all of us on myself

[Chorus]

And if I'm being honest  
I'm not always as tough as I seem  
And I can have a moments  
But words can get the best of me  
And the words that I say to myself  
Are the ones that hit the hardest  
If I'm being honest  
If I'm being honest, oh

[Bridge]

No one's ever gonna come live my life for me  
Just 'cause I'm an open book, don't mean you get the whole story [Chorus]

And if I'm being honest  
I'm not always as tough as I seem  
And I can have a moments  
But words can get the best of me  
And the words that I say to myself are the ones that hit the hardest  
If I'm being honest  
If I'm being honest, oh [Outro]  
If I'm being honest

If I'm being honest
