

# Hold On

Sarah McLachlan

Hold on  
Hold on to yourself  
for this is gonna hurt like hell.Hold on  
Hold on to yourself.  
You know that only time will tellWhat is it in me that refuses to believe  
this isn't easier than the real thing.My love  
you know that you're my best friend.  
You know that I'd do anything for you  
and my love  
let nothing come between us  
my love for you is strong and true.  
Am I in heaven here or  
am I...  
At the crossroads I am standing.So now you're sleeping peaceful  
I lie awake and pray  
that you'll be strong tomorrow  
and will see another day  
and we will praise it  
and love the light that brings a smile  
across your face.Oh god  
if you're out there won't you hear me.  
I know we're never talked beforeand oh god  
the man I love is leaving  
won't you take him when he comes to your door.  
Am I in heaven here or  
am I in hell  
at the crossroads I am standing.So now you're sleeping peaceful  
I lie awake and pray  
that you'll be strong tomorrow  
and we will see another day  
and we will praise it  
and love the light that brings a smileSo now you're sleeping peaceful  
I lie awake and pray  
that you'll be strong tomorrow  
and we will see another day  
and we will praise it  
and love the light that brings a smile  
across your faceHold on  
hold on to yourself  
for this is gonna hurt like hell.
