Hold On

Sarah McLachlan

Hold on Hold on to yourself for this is gonna hurt like hell.Hold on Hold on to yourself. You know that only time will tellWhat is it in me that refuses to believe this isn't easier than the real thing.My love you know that you're my best friend. You know that I'd do anything for you and my love let nothing come between us my love for you is strong and true. Am I in heaven here or am I... At the crossroads I am standing. So now you're sleeping peaceful I lie awake and pray that you'll be strong tomorrow and will see another day and we will praise it and love the light that brings a smile across your face.Oh god if you're out there won't you hear me. I know we're never talked beforeand oh god the man I love is leaving won't you take him when he comes to your door. Am I in heaven here or am I in hell at the crossroads I am standing. So now you're sleeping peaceful I lie awake and pray that you'll be strong tomorrow and we will see another day and we will praise it and love the light that brings a smileSo now you're sleeping peaceful I lie awake and pray that you'll be strong tomorrow and we will see another day and we will praise it and love the light that brings a smile across your faceHold on hold on to yourself for this is gonna hurt like hell.
