

# Not With You

Cassie

I'd give anything, go anywhere  
When it comes to your love  
But the question that's burnin' in my heart  
Is whether it's strong enough? If you want me to stay  
There's something we gotta do  
I need to see years of us  
I've got to trust if I'm not with you, heh Ain't nowhere I belong, if I'm not with you  
Ain't no place I call home, if I'm not with you  
Constantly on the phone, if I'm not with you  
If I'm not with you, if I'm not with you Don't know if I can trust, if I'm not with with you  
All of these questions, 'cause if I'm not with you  
I hope you're expectin' this, if I'm not with you  
If I'm not with you, baby  
And I love it when it's just  
The two of us layin' around  
And I can't help, I want you to myself  
The feelin's getting stronger now So I hope you feel  
The way I feel, I feel  
I need to see years of us  
I've got to trust, If I'm not with you Ain't nowhere I belong, if I'm not with you  
Ain't no place I call home, if I'm not with you  
Constantly on the phone, if I'm not with you  
If I'm not with you, if I'm not with you Don't know if I can trust, if I'm not with with you  
All of these questions, 'cause if I'm not with you  
I hope you're expectin' this, if I'm not with you  
If I'm not with you, baby  
I hope you're not disrespectin' me  
I'm hopin', I'm everything you need  
And that all you wish for  
You'll find in me It's the way that you show  
Show you care, show that you love  
When you're not with me  
Ain't nowhere that I belong Ain't nowhere I belong, if I'm not with you  
Ain't no place I call home, if I'm not with you  
Constantly on the phone, if I'm not with you  
If I'm not with you, if I'm not with you Don't know if I can trust, if I'm not with with you  
All of these questions, 'cause if I'm not with you  
I hope you're expectin' this, if I'm not with you  
If I'm not with you, baby Ain't nowhere I belong, if I'm not with you  
Ain't no place I call home, if I'm not with you  
Constantly on the phone, if I'm not with you  
If I'm not with you, if I'm not with you Don't know if I can trust, if I'm not with with you

All of these questions, 'cause if I'm not with you  
I hope you're expectin' this, if I'm not with you  
If I'm not with you, baby
