Not With You

Cassie

I'd give anything, go anywhere

When it comes to your love

But the question that's burnin' in my heart

Is whether it's strong enough? If you want me to stay

There's something we gotta do

I need to see years of us

I've got to trust if I'm not with you, hehAin't nowhere I belong, if I'm not with you

Ain't no place I call home, if I'm not with you

Constantly on the phone, if I'm not with you

If I'm not with you, if I'm not with youDon't know if I can trust, if I'm not with with you

All of these questions, 'cause if I'm not with you

I hope you're expectin' this, if I'm not with you

If I'm not with you, baby

And I love it when it's just

The two of us layin' around

And I can't help, I want you to myself

The feelin's getting stronger nowSo I hope you feel

The way I feel, I feel

I need to see years of us

I've got to trust, If I'm not with youAin't nowhere I belong, if I'm not with you

Ain't no place I call home, if I'm not with you

Constantly on the phone, if I'm not with you

If I'm not with you, if I'm not with youDon't know if I can trust, if I'm not with with you

All of these questions, 'cause if I'm not with you

I hope you're expectin' this, if I'm not with you

If I'm not with you, baby

I hope you're not disrespectin' me

I'm hopin', I'm everything you need

And that all you wish for

You'll find in meIt's the way that you show

Show you care, show that you love

When you're not with me

Ain't nowhere that I belong Ain't nowhere I belong, if I'm not with you

Ain't no place I call home, if I'm not with you

Constantly on the phone, if I'm not with you

If I'm not with you, if I'm not with youDon't know if I can trust, if I'm not with with you

All of these questions, 'cause if I'm not with you

I hope you're expectin' this, if I'm not with you

If I'm not with you, babyAin't nowhere I belong, if I'm not with you

Ain't no place I call home, if I'm not with you

Constantly on the phone, if I'm not with you

If I'm not with you, if I'm not with youDon't know if I can trust, if I'm not with with you

All of these questions, 'cause if I'm not with you I hope you're expectin' this, if I'm not with you If I'm not with you, baby
