

# You're Just a Country Boy

Alison Krauss

Ain't gonna marry in the fall  
Ain't gonna marry in the spring  
    For you're in love  
    With a pretty little girl  
Who wears a diamond ringYou're just a country boy  
    Money have you none  
    But you've got silver  
    In the stars  
    Gold in the morning sun  
    Gold in the morning sun  
Never gonna kiss the ruby red lips  
    Of the prettiest girl in town  
Never gonna ask her if she'll marry you  
She'd only turn you downYou're just a country boy  
    Money have you none  
    But you've got silver  
    In the stars  
    Gold in the morning sun  
Gold in the morning sunNever could afford a store bought ring  
    With a sparklin' diamond stone  
All you can afford is a loving heart  
    The only one you own  
    You're just a country boy  
    Money have you none  
    But you've got silver  
    In the stars  
    Gold in the morning sun  
    Gold in the morning sun
