

2 My House

Benny Benassi & Chris Nasty

There was a man
from a distant land.
He couldn't dance.
No, he couldn't dance.
He had a simple plan
Talked with his hands!
He couldn't dance.
No, he couldn't dance.
Give him a chance.??? a chance!
He'll make you dance.
He'll make you dance.
So hold on,
be quiet.
Let's start a fire,
let's start a... riot.
It's my house.
Let's start a fire.
Let's start a riot,
le-let's start a riot.
It's my house.
It's my... house.
And we all danced down,
down to the floor.
I hope you dance,
dance till you saw.
He came and saw,
and then he conquered
just like Caesar,
but he walks among us.
And the beat, the beat,
the beat that he played
made this party all night??? until today. So hold on,
be quiet.
Let's start a fire,
let's start a... riot.
It's my house
Let's start a fire.
Let's start a riot,
le-let's start a riot.
It's my house.
It's my... house.
This is my... house,

so let's burn it down.
Burn it down, down,
'cuz this is my... house.
You hear the music spinning?
You hear the music spinning?
So what???

You hear the music spinning,
You hear the music spinning,
You hear the music spinning,
So what???

It feels like,
just like Heaven
when he plays
So just dance, dance.
It's just like,
just like Heaven
when he plays.
Dance, dance. So hold on,
be quiet.

Let's start a fire,
let's start a... riot.
It's my house.
Let's start a fire.
Let's start a riot,
le-let's start a riot.
It's my house.
It's my... house.

This is my... house. So let's burn it down,
burn it down, down,
'cuz this is my... house.
This is my... house,
so let's burn it down,
burn it down, down,
'cuz this is my... house.
