

# Close to Me

## The Cure

I've waited hours for this  
I've made myself so sick  
I wish I'd stayed asleep today  
I never thought this day would end  
I never thought tonight could ever be  
This close to me  
Just try to see in the dark  
Just try to make it work  
To feel the fear before you're here  
I make the shapes come much too close  
I pull my eyes out  
Hold my breath  
And wait until I shake...  
But if I had your faith  
Then I could make it safe and clean  
If only I was sure  
That my head on the door was a dream  
I've waited hours for this  
I've made myself so sick  
I wish I'd stayed asleep today  
I never thought this day would end  
I never thought tonight could ever be  
This close to me  
But if I had your face  
I could make it safe and clean  
If only I was sure  
That my head on the door was a dream
