

Payne's Bay

Beirut

I can't belong to the dirt
I can't put on your fire
This town's alone and therefore
I see no end in sight Oh, and hymns, child
Oh, and words you'll know
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
Headstrong today, I've been headstrong
