

# Give It All

## Train

When I think about my problems  
And I truly understand in a world like this  
Being a white man  
I'm ashamed that I complain  
I'm not sure that I know pain, but I know this I'd give it all for one more night with you  
I'd give it all for one more night with you I see faces everyday, they look at me in a way as if to  
say  
If you'd only knew, you wouldn't last a day in my shoes  
And I suppose that's true  
I have a lot, maybe too much, but  
I'd give it all for one more night with you  
I'd give it all for one more night with you But go on, go on, go on, go on, go on, go on  
Be free I work hard at what I do  
It's the work that gets me through  
But I'm starting to forget  
But what I want is to remember, what I want is to remember  
What I want, do you remember me?  
I'd give it all all all all  
I'd give it all all all all  
I'd give it all for one more night with you  
I'd give it all for one more night with you  
Go on, go on, go on, go on, go on, go on, be free  
Go on, go on, go on, go on, go on, go on, be free  
Don't worry about me  
Don't worry about me
