

# Second Chance

## 38 Special

Since you been gone  
I feel my life slipping away  
I look to the sky  
And everything is turnin' gray All I made was one mistake  
How much more will I have to pay  
Why can't you think it over  
Why can't you forget about the past When love makes this sound babe  
A heart needs a second chance  
Don't put me down babe  
Can't you see I love you Since you been gone, I've been in a trance  
This heart needs a second chance  
Don't say it's over  
I just can't say goodbye  
So this is love  
Standing in the pouring rain  
I fooled on you  
But she never meant a thing And I know I ain't got no right  
To ask you to sympathize  
But why can't you think it over  
Why can't you forget the past When love makes this sound babe  
A heart needs a second chance  
Don't put me down babe  
Can't you see I love you Since you been gone, I've been in a trance  
This heart needs a second chance  
Don't say it's over  
I just can't say goodbye  
I never loved her, I never needed her  
She was willing and that's all there is to say  
Don't forsake me, please don't leave me now A heart needs a second chance Yeah, you been  
gone and I've been in a trance  
This heart needs a second chance  
Don't say it's over  
I just can't say goodbye Please forgive me and forget it  
I was wrong and I admit it  
But why can't we talk it over  
Why can't we forget about  
Forget about the past A heart needs a second chance  
When love makes this sound babe  
A heart needs a second chance  
Don't put me down babe You been gone, I've been in a trance  
This heart needs a second chance  
Don't say it's over

I just can't say goodbye  
A heart needs a second chance  
When love makes this sound babe  
A heart needs a second chance  
A heart needs a second chance  
When love makes this sound babe  
A heart needs a second chance  
A heart needs a second chance  
A heart needs a second chance  
A heart needs a second chance
