

Damn Dog

Never Shout Never

I can't believe that I could believe that.
I can't believe you left me for dead man.Cause I called you my friend.
My best friend at that.
I know that I'm loud man
But give me another chance.
I promise to keep this damn snout shut for you.
But only for you...
... Cause I love you
I should've seen the boredom in your eyes.
You dropped me off and you said your goodbyes.Cause dad I called you my friend.
My best friend at that.
I know that I'm loud man
But give me another chance.
I promise to keep this damn snout shut for you.
But only for you...
... Cause loved youI saw man on the side of the road.
He said take my hand, that man threw me a bone.
Cause one man's trash is another man's treasure.
The way that he made me feel was better then ever.
He told me he loved me.
He meant it forever.I love him cause he loves me.
And all I've ever wanted was to feel love.
