

# Worth It

## Fifth Harmony

Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
OK, I tell her bring it back like she left some-  
Bring it bring it back like she left some-  
In the club with the lights off  
Whatchu acting shy for?  
Come and show me that you're with it with it with it with it with it  
Stop playing, now you know that I'm with it with it with it with it with it with it  
Whatchu acting shy for?  
Just gimme you, just gimme you  
Just gimme you, that's all I wanna do  
And if what they say is true  
If it's true, I might give me to you  
I may talk a lot of stuff  
Guaranteed, I can back it up  
I think I'm a call you bluff  
Hurry up, I'm waitin' out front  
Uh huh, you see me in the spotlight  
"Ooh I love your style"  
Uh huh show me what you got  
'Cause I don't wanna waste my time  
Uh huh see me in the spotlight  
"Ooh I love your style"  
Uh huh show me what you got now  
Come and make it worth my while  
Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
It's all on you, it's all on you  
It's all on you, so what you wanna do?  
And if you don't have a clue

Not a clue, I'll tell you what to do  
Come harder just because  
I don't like it, like it too soft  
I like it a little rough  
Not too much, but maybe just enough  
Uh huh, you see me in the spotlight  
"Ooh I love your style"  
Uh huh show me what you got  
'Cause I don't wanna waste my time  
Uh huh see me in the spotlight  
"Ooh I love your style"  
Uh huh, show me what you got now  
Come and make it worth my while  
Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
Give it to me, I'm worth it (know what I mean?)  
Baby, I'm worth it (give me everything)  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
OK

I tell her bring it back like she left some-  
Bring it bring it back like she left some-  
In the club with the lights off  
Whatchu acting shy for?

Come and show me that you're with it with it with it with it with it  
Stop playing, now you know that I'm with it with it with it with it with it  
Whatchu acting shy for?

Uh huh, you see me in the spotlight  
"Ooh I love your style"  
Uh huh show me what you got  
'Cause I don't wanna waste my time  
Uh huh see me in the spotlight  
"Ooh I love your style"  
Uh huh, show me what you got now  
Come and make it worth my while  
Give it to me, I'm worth it  
Baby, I'm worth it  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
Give it to me, I'm worth it (know what I mean?)  
Baby, I'm worth it (give me everything)  
Uh huh I'm worth it  
Gimme gimme I'm worth it  
Give it to me, I'm worth it
