

This Too Shall Pass

OK Go

You know you can't keep letting it get you down
And you can't keep dragging that dead weight around
If there ain't all that much to lug around,
Better run like hell when you hit the ground
When the morning comes
When the morning comes
Can't stop those kids from dancing but why would you want to
Especially when you're already getting good?
'Cause your mind don't move and your knees don't
bend

But don't go blaming the kids again
When the morning comes

When the morning comes

When the morning comes
When the morning comes

When the morning comes

When the morning comes

Let it go

This too shall pass

Let it go

This too shall pass
(Let it go, this too shall pass)

You know you can't keep letting it get you down

No, you can't keep letting it get you down
(Let it go, this too shall pass)

Oh, is it really all that much to lug around

And you can't keep letting it get you down
When the morning comes

Oh, you can't keep letting it get you down

No, you can't keep letting it get you down

(When the morning comes)
Oh, you can't keep letting it get you down

No, you can't keep letting it get you down

(When the morning comes)

Oh, you can't keep letting it get you down

No, you can't keep letting it get you down

(When the morning comes)
Oh, you can't keep letting it get you down

No, you can't keep letting it get you down

(When the morning comes)
