

# Tonight

Lykke Li

Push my back so i make sure  
You're right behind me as before  
Yesterday the night before tomorrow  
Dry my eyes so you won't know  
Dry my eyes so i won't show  
I know you're right behind me  
And don't you let me go, let me go tonight  
Don't you let me go, let me go tonight  
You walk the surface of this town  
The high heels above the ground  
And high horses that we know  
Keep us safe until the night  
You know them all, i know it all  
Stay put and play along  
'cause i'm looking for my friend  
Now i got you, got you  
Don't you let me go, let me go tonight  
I dry my eye  
Dry my eye  
Yeah  
Don't you let me go, let me go tonight  
Let me go, let me go
