Anyway (feat. Tayla Parx)

Chris Brown

Cause I'mma love you anyway

Cause I'mma love you anywayI know you probably never had somebody

Loving you like I do, someone that's there for you

Don't judge ya cause I know we only human

I must be stupid babe, letting you slip awayIf you show me all your flaws, I'll show you mine I'll claim your baggage, no longer need to hideCause I'mma love you anyway

Cause I'mma love you anyway

Cause I'mma love you anyway

Cause I'mma love you anywayI wish that you could see you like I see you

It's like that you're no good, you're just misunderstood

Now it's my job to make you a believer

Them boys ain't like this man, can't love you like I canIf you show me all your flaws, I'll show you mine

I'll claim your baggage, no longer need to hide

Cause I'mma love you anyway

Lemme get it like

Lemme get it like

Lemme get it like

Lemme get it like

Cause I'mma love you anyway

Cause I'mma love you anyway
