

Sad Song (feat. Elena Coats)

We the Kings

You and I, we're like fireworks
And symphonies exploding in the sky
With you, I'm alive
Like all the missing pieces of my heart
They finally collide
So stop time right here in the moonlight
Cause I don't ever wanna close my
eyes
Without you, I feel broken
Like I'm half of a whole
Without you, I've got no hand to hold
Without you, I feel torn
Like a sail in a storm
Without you, I'm just a sad song
I'm just a sad song
With you, I fall
It's like I'm leaving all my past
And silhouettes up on the wall
With you, I'm a beautiful mess
It's like we're standing hand and hand
With all our fears up on the edge
So stop time right here in the moonlight
Cause I don't ever wanna close my eyes
Without you, I feel broken
Like I'm half of a whole
Without you, I've got no hand to hold
Without you, I feel torn
Like a sail in a storm
Without you, I'm just a sad song
You're the perfect melody
The only harmony I wanna hear
You're my favorite part of me
With you standing next to me
I've got nothing to fear
Without you, I feel broken
Like I'm half of a whole
Without you, I've got no hand to hold
Without you, I feel torn
Like a sail in a storm
Without you, I'm just a sad song
Without you, I feel broken
Like I'm half of a whole
Without you, I've got no hand to hold
Without you, I feel torn
Like a sail in a storm
Without you, I'm just a sad song
