

Hesitate

Stone Sour

You were my fire
So I burned 'til there was nothing left of me
I, I touched your face
I held you close 'til I could barely breathe
Why give me hope
Then give me up
Just to be the death of me?
Save the rest of me 'Cause I see you, but I can't feel you anymore
So go away
I need you, but I can't need you anymore
You hesitate
Now, now and then
You come around like there's something left for me
We were one, We were everything
I'm still here, but I'll just keep the rest of me 'Cause I see you, but I can't feel you anymore
So go away
I need you, but I can't need you anymore
You hesitate Could we never make up?
You hesitated
Ooh, I don't believe That I see you, but I can't feel you anymore
So go away
I need you, but I can't need you anymore
You hesitate
'Cause I see you, but I can't feel you anymore
So go away
I need you, but I can't need you anymore
You hesitate, hesitate
You were my fire
So I burned
Now there's nothing left of me
