

This Is War

Thirty Seconds to Mars

A warning to the people, the good and the evil
This is war
To the soldier, the civilian, the martyr, the victim
This is warIt's the moment of truth, and the moment to lie
The moment to live, and the moment to die
The moment to fight, the moment to fight
To fight, to fight, to fightTo the right, to the left
We will fight to the death
To the edge of the Earth
It's a brave new world from the last to the first
To the right, to the left
We will fight to the death
To the edge of the Earth
It's a brave new world, it's a brave new world(Whoa-oh, whoa-oh)A warning to the prophet, the
liar, the honest
This is war
Oh, to the leader, the pariah, the victor, the messiah
This is warIt's the moment of truth, and the moment to lie
The moment to live, and the moment to die
The moment to fight, the moment to fight
To fight, to fight, to fightTo the right, to the left
We will fight to the death
To the edge of the Earth
It's a brave new world from the last to the first
To the right, to the left
We will fight to the death
To the edge of the Earth
It's a brave new world, it's a brave new world
It's a brave new worldI do believe in the light
Raise your hands up to the sky
The fight is done, the war is won
Lift your hands toward the sunToward the sun (it's the moment of truth, and the moment to lie)
(The moment to live...)
Toward the sun (it's the moment of truth, and the moment to lie)
(The moment to live...)
Toward the sun (the moment to fight)
(The moment to fight, the moment to fight)
The war is won (to fight, to fight, to fight)
(To fight, to fight, to fight)To the right, to the left
We will fight to the death
To the edge of the Earth
It's a brave new world from the last to the firstTo the right, to the left

We will fight to the death
To the edge of the Earth
It's a brave new world, it's a brave new world
It's a brave new worldA brave new world
The war is won
The war is won
A brave new world
