

Money Maker (feat. Andreea D & J. Yolo)

DJ Sava

Alright
'Tis your homeboy Sava
My girl Andreea D and your boy J. Yolo
Chill brothers in the house
Official money maker machine
Comin' to you live
Breakin' the freackin' house down
Let's go! The way you look girl,
The way you move girl,
You drive me crazy
You're breaking the whole world
You got that bomb girl,
That magic bomb girl
So do your thing,
Shake that thing, money maker
Do it like, do it like boom boom boom
Let that boy feel that zum zum zum
Up down, up down boom boom boom
Let the boy feel that zum zum. Shake it girl, shake that money maker,
That money maker, like boom boom, boom boom. Do it like, do it like boom boom boom
Let that boy feel that zum zum zum
Up down, up down boom boom boom
Let the boy feel that zum zum. Shake it girl, shake that money maker
That money maker, like boom boom, boom boom.
You don't stop, c'mon
You know when the girls got it goin' on, yeah Who is that? Who's that girl, man, who is that?
She ain't got no (?) like who is that
And she's always playing with the paper that
Y'all could hate, she cool with that
She couldn't care less, she's a who-will-get
In all the spinning, all is full of flash
Ain't got no more time to look back no Put your hands in the air
Let's go! Shake it girl, shake that money maker
That money maker, like boom boom, boom boom.
