Touch

Pia Mia

I'm laying in this hotel
Cuddling up to the body pillow
I'm trying not to call you

Cause I don't want to miss you no more Every now and then I get a little lonely

I can hold myself but no it's not the same thing

Need to feel the pressure somewhere on my body

On my body, ohCause sometimes

All I wanna do is be touched

All I wanna do is be loved

All I wanna do is be touched

So touch me

So touch me

So touch me

I can't get to sleep

Damn oh damn I'm trying now

Oh, I put on the Tv right here

Maybe it'll calm me downEvery now and then I get a little lonely

I can hold myself but no it's not the same thing

Need to feel the pressure somewhere on my body

On my body, ohCause sometimes

All I wanna do is be touched

All I wanna do is be loved

All I wanna do is be touched

So touch me

So touch me

So touch me

All I want, all I want, all I wanna do

Is be touched by you

If you want, If you want, if you want it too

Tell me the truth

All I want, all I want, all I wanna do

Is be touched by you

And if you want it too

Just touch meCause sometimes

All I wanna do is be touched

All I wanna do is be loved

All I wanna do is be touched

So touch meCause sometimes

All I wanna do is be touched

All I wanna do is be loved

All I wanna do is be touched

So touch me

Oh hustle baby Oh hustle baby Oh, so hustle baby So touch methe end
