

Cloudbusting

Kate Bush

I still dream of Orgonon
I wake up crying
You're making rain
And you're just in reach
When you and sleep escape me
You're like my yo-yo
That glowed in the dark
What made it special
Made it dangerous
So I bury it
And forget
But every time it rains
You're here in my head
Like the sun coming out
Ooh, I just know that something good is gonna happen.
And I don't know when
But just saying it could even make it happen
On top of the world
Looking over the edge
You could see them coming
You looked too small
In their big black car
To be a threat to the men in power.
I hid my yo-yo
In the garden.
I can't hide you
From the government
Oh, God, Daddy
I won't forget
'Cause every time it rains
You're here in my head
Like the sun coming out
Ooh, I just know that something good is gonna to happen.
And I don't know when
But just saying it could even make it happen
And every time it rains
You're here in my head
Like the sun coming out
Like your son's coming out
Ooh, I just know that something good is going to happen
And I don't
know when
But just saying it could even make it happen
Ooh, just saying it could even make it happen
We've been cloudbusting daddy
The sun's coming out
Your son's coming out
