

# Evil

## VAMPS

Calling out to me...  
Calling out to me...  
I rise up from an illusion...  
I'm before your eyesAwakened by your corrupt desires  
Were you lonely without me there?  
Your sense of justice concealed true evil  
In your heart, breeding meGrowing inside, your desire to kill  
There's no turning back  
Come to hell with me!  
Burning outside, breaking under my will  
There's no fighting back  
Now your new God is me!  
Pray?You called out my name!  
You called out my name!Calling out to me...  
Calling out to me...  
Your delusions - free...  
I'm before your eyesEnforcing your laws, the pressure's rising  
That's the reason you called me here  
Abuse of justice turns into evil  
You have started to change  
Growing inside, your desire to kill  
There's no turning back Come to hell with me!  
Burning outside, breaking under my will  
There's no fighting back Now your new God is me!Pray! You called out my name!  
You called out my name!
