You Can Get It If You Really Want

Jimmy Cliff

You can get it if you really want

You can get it if you really want

You can get it if you really want

But you must try, try and try

Try and try, you'll succeed at last

Look herePersecution you must bear

Win or lose you've got to get your share

Got your mind set on a dream

You can get it, though harder they seem nowYou can get it if you really want

You can get it if you really want

You can get it if you really want

But you must try, try and try

Try and try, you'll succeed at last

I know it, listen

Rome was not built in a day

Opposition will come your way

But the hotter the battle you see

It's the sweeter the victory, nowYou can get it if you really want

You can get it if you really want

You can get it if you really want

But you must try, try and try

Try and try, you'll succeed at lastYou can get it if you really want

You can get it if you really want

You can get it if you really want

But you must try, try and try

Try and try, you'll succeed at last

You can get it if you really want

(I know it)

You can get it if you really want

(Don't I show it?)

You can get it if you really want

(So don't give up now)

You can get it if you really want

(Keep on trying)
