

So Fine

Sean Paul

Girl, girl, I'll be your sunshine, you can be mine
You'll be my wind chime, I got the rhyme
We'll have a good time, make up your mind
Roll with me girl, you're so fine Girl, just let me be there for you anytime
You're so fine, for you I'd join the longest line
You're so fine, my girl, the coast and wine
Mash up me brain, you a mash up man mind
Real bad, man, a that's where dem nine
I'll be your sunshine My girl, just let me be there for you anytime
You're so fine, for you I'd join the longest line
You're so fine, my girl, the coast and wine
Mash up me brain, you a mash up man mind
Real bad, man, a that's where dem nine
I'll be your sunshine
This time, my girl, if you want just call me
Anytime my love life start get corny
We keep it seam up n' stormy
Me and you team up and build an army Come, I love the shape of your body
I'ma notice how you want come party
If you notice, you are my target
Girl, I'll be that doggy, doggy Sexy chicks that are my prerequisite
Hot girls gotta be my darlin'
Get with it my beat if you set with it
All girls gotta heed my callin' From Kingston up to New Orleans
New Jersey right back to Spalding
You fi know this boy ain't stallin'
We put it all in
Just let me be there for you anytime
It's so fine, for you I'd join the longest line
It's so fine, my girl, the coast and wine
Mash up me brain, you a mash up man mind
Real bad, man, a that's where dem nine
I'll be your sunshine My girl, just let me be there for you anytime
It's so fine, for you I'd join the longest line
It's so fine, my girl, the coast and wine
Mash up me brain, you a mash up man mind
Real bad, man, a that's where dem nine
I'll be your sunshine Listen my voice, listen my vocal
Lock off your phone, tell your man, don't call
I'm gonna give you this love total
Medical and it's antidotal, oh yeah 'Cause we are the top pro gyal
International or local

Your man don't got it like me, none at all
 'Cause your man don't firm and you man don't tall I'm a broke out the diamond and the opal
 I'm a try buy love but now the love stall
 Look like I'm don't have no hope at all
 I'm nah come good with the approach at all Hang 'em up like picture in a photo hall
 Every man gon' buy new protocol
 S P, a di man you fi call
 I won't fall Let me be there for you anytime
 It's so fine, for you I'd join the longest line
 It's so fine, my girl, the coast and wine
 Mash up me brain, you a mash up man mind
 Real bad, man, a that's where dem nine
 I'll be your sunshine My girl, just let me be there for you anytime
 It's so fine, for you I'd join the longest line
 It's so fine, my girl, the coast and wine
 Mash up me brain, you a mash up man mind
 Real bad, man, a that's where dem nine
 I'll be your sunshine I'll be your sunshine, you can be mine
 You'll be my wind chime, I got the rhyme
 We'll have a good time, make up your mind
 Roll with me girl, you're so fine
 Girl, just let me be there for you anytime
 You're so fine, for you I'd join the longest line
 You're so fine, my girl, the coast and wine
 Mash up me brain, you a mash up man mind
 Real bad, man, a that's where dem nine
 I'll be your sunshine
 It's time, just let me be there for you anytime
 You're so fine, for you I'd join the longest line
 You're so fine, my girl, the coast and wine
 Mash up me brain, you a mash up man mind
 Real bad, man, a that's where dem nine
 I'll be your sunshine
