

# Make You Miss Me

Sam Hunt

You hear a new song, it's your favorite  
Pretty soon you'll be changing the station  
And all your old shoes are looking brand new  
They wanna be worn but they never get the chance too  
Heavy into everything  
Ready for the next thing  
Catch a ride for a while than you're over it  
You change your mind on it  
Soon as the shines gone  
Like you always do, but you don't know it yet but  
Woahhhhh woahhhhh  
I ain't gunna be that easy to leave  
Woahhhhh woahhhhh  
Girl I'm gunna make you miss me  
Make you wish that you were sleeping in my shirt  
Lie about my jacket and tell everyone its yours  
When your phone rings after midnight and you're thinking maybe it's me  
Gunna make you miss me You're cold and hot  
You burn out like a match  
Keep the slip knot and the strings you attach  
You think it's easy, but that's a lie  
The only reason that you're good at goodbye is  
Every boy you ever met, was to easy to forget  
Well, I ain't going out like that  
Woahhhh woahhhh  
I ain't gunna be that easy to leave  
Woahhhh woahhhhh  
Girl I'm gunna make you miss me  
Make you wish that you were sleeping in my shirt  
Lie about my jacket and tell everyone it's yours  
When your phone rings after midnight and you're thinking maybe it's me  
I'm gunna make you miss me Woahhhh woahhhh  
I ain't gunna be that easy to leave  
woahhhhh woahhhhh  
Girl I'm gunna make you miss me Writing letters that you're never gunna mail  
Stay up and paint my favorite shade of red on your nails  
Cause' you cant fall asleep and you're wishing you were with me  
I'm gunna make you miss me  
Make you miss me  
Make you miss the way my hand fit in your hand  
When you're dialing my number listening to my favorite bands  
I'll say baby you know all you can say

Is come and get me  
Wanna make you miss me  
Gunna make you miss me  
And ohhhh ohhh ohhh  
I'm gunna make you miss me
