Make You Miss Me

Sam Hunt

You hear a new song, it's your favorite
Pretty soon you'll be changing the station
And all your old shoes are looking brand new
They wanna be worn but they never get the chance too
Heavy into everything
Ready for the next thing
Catch a ride for a while than you're over it
You change your mind on it
Soon as the shines gone
Like you always do, but you don't know it yet but

Woahhhhh woahhhh

I ain't gunna be that easy to leave Woahhhh woahhhh

Girl I'm gunna make you miss me
Make you wish that you were sleeping in my shirt
Lie about my jacket and tell everyone its yours
When your phone rings after midnight and you're thinking maybe it's me

Gunna make you miss meYou're cold and hot

You burn out like a match

Keep the slip knot and the strings you attach

You think it's easy, but that's a lie

The only reason that you're good at goodbye is Every boy you ever met, was to easy to forget

Well, I ain't going out like that

Woahhh woahhh

I ain't gunna be that easy to leave

Woahhh woahhhh

Girl I'm gunna make you miss me

Make you wish that you were sleeping in my shirt

Lie about my jacket and tell everyone it's yours

When your phone rings after midnight and you're thinking maybe it's me

I'm gunna make you miss meWoahhh woahhh

I ain't gunna be that easy to leave

woahhhh woahhhh

Girl I'm gunna make you miss meWriting letters that you're never gunna mail Stay up and paint my favorite shade of red on your nails

Cause' you cant fall asleep and you're wishing you were with me

I'm gunna make you miss me

Make you miss me

Make you miss the way my hand fit in your hand When you're dialing my number listening to my favorite bands I'll say baby you know all you can say Is come and get me
Wanna make you miss me
Gunna make you miss me
And ohhhh ohhh ohhh
I'm gunna make you miss me
