

# Anywhere

112

Here we are all alone  
You and me,  
Privacy  
And we can do anything  
Your fantasy  
I wanna make your dreams come true  
Can you hear?  
She's calling me  
Between your legs Loud and clear  
I wanna talk back to her  
Make love to her  
I wanna hear you scream my name  
We can make love on the bedroom  
Floating on top of my waterbed  
I'm kissing you  
Running my fingers through your hair  
In the hallway Making love away beside the stairs  
We can do it anywhere...  
I can love you in the shower  
Both of our bodies dripping wet On the patio we can make a night you won't forget On the  
kitchen floor  
As I softly pull your hair  
We can do it anywhere, anywhere...  
I love the way your body feels  
On top of mine so take your time  
We got a night  
Girl, you know I like it slow  
And I know you like it too, baby  
Please don't stop I feel it now  
You feel it, too  
You're shivering  
Ooh, you put me close to you  
Just let it flow  
There's no other place to go We can make love on the bedroom Floating on top of my waterbed  
I'm kissing you Running my fingers through your hair In the hallway  
Making love away beside the stairs  
We can do it anywhere...  
I can love you in the shower  
Both of our bodies dripping wet  
On the patio we can make a night you won't forget  
On the kitchen floor  
As I softly pull your hair

We can do it anywhere, anywhere...Z too hot to stop  
So we goin' from the bedroom to the floor  
Let you know a nigga miss you when out on tour  
When our tongues touch  
Have a playboy thinkin' much  
Roll a Dutch,  
Let me tell you it turns me on  
When 112 sing to you  
What kinda feeling do it bring to you?  
I pump hard till you say I'm being mean to you  
I know the ice Roley gleam to you  
A true playa's what I seem to you  
And if you want it  
We can do it in the Black 500  
Wit' the top down  
In overdrive when we ride cuz I'm hot now  
You got me goin',  
I don't think I wanna stop now  
Z feenin' like a criminal on lockdown  
So let's get a way the ghetto way  
You gettin' hot baby, please don't melt away  
I got a crib on the beach Palmetto-way  
And here's your personal key to see me everyday  
112...  
We can make love on the bedroom  
Floating on top of my waterbed  
I'm kissing you  
Running my fingers through your hair  
In the hallway  
Making love away beside the stairs  
We can do it anywhere...  
I can love you in the shower  
Both of our bodies dripping wet  
On the patio we can make a night you won't forget  
On the kitchen floor  
As I softly pull your hair  
We can do it anywhere, anywhere...  
We can make love on the bedroom  
Floating on top of my waterbed  
I'm kissing you  
Running my fingers through your hair  
In the hallway  
Making love away beside the stairs  
We can do it anywhere...  
I can love you in the shower  
Both of our bodies dripping wet  
On the patio we can make a night you won't forget  
On the kitchen floor  
As I softly pull your hair

We can do it anywhere, anywhere...
