## The Great American Nightmare (feat. Howard Stern)

## Rob Zombie

Yeah, dig deep down from Planet X, yeah Thirteen ghosts in the devil's head Step right up and feel the fire Hardcore love of the never deadCall me the American Nightmare Call me the American Dream Call me your soul corrupted Call me everything you needYeah, motherfucker Yeah, who do you love? Yeah, motherfucker Who do you love? YeahYeah, black boots stomp and penetrate, yeah Lust and death gone in your head Rat Pack mind degenerated Thirteen ghosts sing the body red Call me the Dark Intruder Call me the Haunted Sea Call me your Monster Zero Call me anything you needCall me the American Nightmare Call me the American Dream Call me your soul corrupted Call me everything you needYeah, motherfucker Yeah, who do you love? Yeah, motherfucker Who do you love? YeahCall me the American Nightmare Call me the American Dream Call me your soul corrupted Call me everything you need Yeah, motherfucker Yeah, who do you love? Yeah, motherfucker Who do you love? YeahYeah, motherfucker Yeah, who do you love? Yeah, motherfucker Who do you love? Yeah
